#### Positive Client Feedback to Brother Sean's ministry

When talking about the early days of the Gorton Monastery I said 'Along the way we have been joined by many like-minded souls who I'm sure have been sent to us by the Angels when the timing was right and their skills were needed the most'. One of those special people was Brother Sean Bradley who was introduced to me when he came to do an Angels Workshop in Gorton several years ago. Sean is a gifted and inspirational teacher who, through his gentle and humorous style creates a unique healing atmosphere for his audience. The Angels brought love, joy and laughter to Gorton that day and I felt privileged to be in their company.'

His connection with the Master Jesus, Mother Mary, the Archangels and Saint Francis, has worked a miracle in keeping me well against the odds. I have long suffered from depression and mental illness, imbalance and self-absorption. Conventional medicines, remedies, talking therapies (CBT/CAT), Jungian psychotherapy and NLP, have not helped me near enough as Brother Sean's humble and definitive Essene approach, working with the Holy Spirit, and allowing Divine Guidance--along with time, since there is never a magic wand to recover--to heal where reason and often a fallible one size fits all NHS approach could not, but merely suppress or contain difficulties until they had straightened, but never resolved, quietened but functioning with all the trash dug deep.

All truly great healers and sages are incredibly humble people, and those with the greatest insight into the mysteries and realities of the world, have inevitable suffered the most. This equips them to change their world and in so doing improve our own, and it is from them that truly great things can be carried forth in those that they help and the ideas that they help to spread, as lives begin to change. I have benefited from his expertise in

healing, his work with Jesus-Miriam [bio-energy healing] oils and his great compassion that radiates from his aura, his hands and his loving eyes. When it seemed life would not improve, when I was fast losing hope, when I was not really living but existing as a man abandoned, isolated and near the borderlands of out and out psychosis-Sean's healing and daily affirmations and prayer prescription has helped me to restore my Spirit and give me back my spark which had dimmed through many life traumas and negative experiences. Sean has given me the power to reclaim hope and trust that all will be well if I embrace Jesus and the Brotherhood of the elect...

He also actively proves through his inter-faith work with the Tau Community of St. Francis, and his visionary--though frankly sensible and realistic plans for simplicity and ecological sustainability at a community and local level [and the use of the fabled Essene Angel Bagua], that beautiful days full of creativity and promise are available to us all. He is truly a living embodiment of the True Religion that is the Imagination, tempered with patience and love.

He has given me hope that there are good human beings out there. And while no one is perfect, there are those who devote their lives to serving others in need and selflessly asking nothing back. I'm sincerely grateful for his love, patience and compassion in the matter concerning Harry Matthews. What I have learned from Sean has helped me to rehabilitate and I see it as a turning point in my life. I sincerely do, as you so prophetically knew when we last met in person. **(James Lee Harris: Southampton, UK).**

Hello Brother Sean, Thank you for your touching note which arrived this morning, as I read your message I felt such love pouring out of the words you wrote that it brought tears to my eyes, your card is beautiful and the fact that it is handmade makes it even more special to me. I have felt a change in myself since my visit to Cumbria, I see things in a different light and thank Jesus daily for bringing me to you, I have always doubted my own spiritual awakening and constantly listened to my mind and not my heart. I don't know what happened when you gave me that healing but something inside me changed, I now want to FEEL my way back to God and Spirit and work with my heart and not my mind. I now feel able to believe in myself and love the spiritual being I really am, all doubt in my ability to serve Jesus is falling away and I know the guidance I ask for is being given, it has always been there but I was not aware of it. Your kind words have helped me yet again to learn to trust in my own intuition, it comes from the heart and the heart knows the truth. I will keep in touch Sean and want you to know just how much your prayers and kindness are helping me on my journey. In love and light. **Julie (Wrexham) 5/3/08.**

Hi Brother Sean, I can't thank you enough Sean for what you did for us all, I do feel more at peace and things that upset me don't really bother me that much now. Your

wise words made me think long and hard... and I'm still thinking!! I really can't put into words how I feel... but thank God there is a walking Angel on this earth under the guise of a mad Irish man who doesn't take prisoners! Thanks for your kindness and Generosity of spirit and for the knowledge and wisdom you were so happy to share with us. God Bless **Pamela B 6<sup>th</sup> March'08**

Dearest Brother Sean - ye of the soothing voice. Just to say that I have managed to retrieve the recording you sent me and great wonders of holy wonders made it into a CD! I was at the point where I was totally surrounded by angels - what a vision and what a feeling of heat - when suddenly you stopped in mid flow. Batteries had run out - so I took that as a sign to "phone a friend" and meet for coffee and get replenished. It's been a tough week - but the sun shines and I am back focused on what really matters. Thank you again for the CD - just being asked to say - what am I thinking, how am I feeling, what is my body up to - was so spot on for me and I not only loved your style of presentation but the keyboard in the background - whew, where did that come from. Blew my tootsies off. So non intrusive yet you know it is there and well, for me, just right. With love and gratitude. Rev. Andrew (Spain) 29/2/08.

What a glorious experience. Thank you, Thank you. The First time I listened to your Angelic Therapy download, I was touched within my soul. I cried and could see and feel everything. What an amazing experience. I cherish and listen to both of them frequently. You are an Earth Angel sent down to us by God. My husband found you, brought you to me, now I have been enriched and nourished and have participated in something that I always dreamed I would be able to be part of. Thank you again, God Bless you Sean, you make a difference in many people's lives. **Pamela Lucy Barry. New Brunswick Canada.**

## Positive Feedback to Brother Sean's Retreats

Dear Sean, following my 7 days with you and the group at the Monastery, I am still feeling the peace within me. From start to finish, the place was my gift from "God." Magnificent, spectacular and beyond my wildest dreams. All the lovely people there, another way of life, the new friends and in my heart, knew I was meant to be there. As a woman with an open and embracing accepting heart, God put key people in my life to keep advancing me to

experience being back in my spiritual home. His gift was mine for free; the greatest gift any human could have and a life that has no end. God wants us to live for the moment focusing on how we can share His love with others. To be true to the Light that is deep within me, holding on to my faith, hope and joy for life. I have an inner spark that kindles a light in everyone my life touches. To keep on flying with my highest dreams and believe they will carry me where I want to go. The highlight of my retreat truly moved me when we all gathered by the Red Sea on our last day, to bless each other with the waters from the Red Sea. The words, 'Blessed to be Chosen,' that exchange of energy together was truly a Gift from God to the Divine in each of us. **Sheila Mac (83 years young-Edinburgh).**

Neville and I, have been on a Spiritual Retreat to the Monastery. We also enjoyed the spiritual journey led by Brother Sean, 'the barefoot Angel man' who brought his own unique recipe to the week. An enclosed Franciscan monk, Brother Sean brought his gifts of humility and spiritual discipline to the group, a lesson in itself. It presents us with the challenge of balancing those characteristics with self-empowerment and stepping into our power. As a result I feel expanded spiritually in every way and feel blessed to have had the time to reflect, contemplate and meditate thus strengthening my connection to the Illumined Beings of Light, Sananda Jesus and Mary Magdalene in particular. This was Spiritual Abundance by the barrow load. Sean is a Dubliner with a good sense of humour. **Noleen, Galway, Ireland).**

### Course Testimonials:

As a journalist, it's not very often I find myself stuck for words but somehow, I can't seem to find the right words to express just how much I feel this has benefited me. Words don't seem to be enough somehow but it's been an angel course and a truly wonderful experience. Diane Maryfeather, (Oregon, USA)

I can't remember the last time I felt this calm and chilled out but I can say that it feels really good. I feel an inner sense of peace within me, like I've got some clarity and direction. I'd been feeling a bit lost and overwhelmed before but that really does seem to have lifted since doing this simple course. Josie (San Hose, CA)

Having COMPLETED the course and experienced this amazing sense of inner peace within myself, I think I'll be able to promote future courses and workshops in an informed way, as someone that has experienced the benefits first hand. Knowledge is confidence. Teresita (Palm Springs, USA)

I feel much more confident now in that I'd know what I'm talking about whereas I would have been a bit out of my depth before had I gone on a workshop with too many people. I feel that if I don't set aside some 'me time' on a regular basis, I'll forget how to achieve this calm so I'm definitely going to keep it up as it's done me the world of good. **Romero, Assisi, Italy)**

Today I have been able to focus more clearly on the future regarding channelling energies as this seems to be the one thing I hope to do. This awesome practical course also falls into line with Reiki - so this is definitely the way forward for me. I shall now have a look at your other courses and be in touch. Love and Light. **Pam Fouldridge Lancs.**

I felt truth more than anything else, the love was pure but the words were so real & alive in all that you expressed in this simple online module. It left me in no doubt that I am an angel of God that I can make the world a better place *Namaste, Gillian Conboy DUBLIN.*

All I can say is, as I told you in my assignments that I really enjoyed your Angel course and - couldn't get enough of your philosophy, angel insight and your presentation and I look forward to more. I am still buzzing after the course **Bob (Manchester)**

Thank you so much for a really special course. The content of the course. I don't really have the words to express just how much I got out of the course, but I know that I have taken it to my heart and it will stay there always. **Penelope (Netherlands)**

I have to share this with you that following the completion of this course, I feel like a massive shift has happened somehow, can't really explain (burst into tears on Saturday night and cried my eyes out, so releasing and felt like a weight had been lifted afterwards). I could try and explain with my head, but going to stop doing head thinking as much as I can. **Jeremy, (Cardiff)**

I have been reflecting on my course notes and listening to the CD and they seem to strengthen each time I say them. I am amazed at the coincidences and synchronicities I am noticing. I can't thank you enough, it just felt so right. **Love, Michaela (Liverpool)**
