His connection with the Master Jesus, Mother Mary, the Archangels and Saint Francis, has worked a miracle in keeping me well against the odds. I have long suffered from depression and mental illness, imbalance and self-absorption. Conventional medicines, remedies, talking therapies (CBT/CAT), Jungian psychotherapy and NLP, have not helped me near enough as Brother Sean's humble and definitive Essene approach, working with the Holy Spirit, and allowing Divine Guidance--along with time, since there is never a magic wand to recover--to heal where reason and often a fallible one size fits all NHS approach could not, but merely suppress or contain difficulties until they had straightened, but never resolved, quietened but functioning with all the trash dug deep.

All truly great healers and sages are incredibly humble people, and those with the greatest insight into the mysteries and realities of the world, have inevitably suffered the most. This equips them to change their world and in so doing improve our own, and it is from them that truly great things can be carried forth in those that they help and the ideas that they help to spread, as lives begin to change. I have benefited from his expertise in healing, his work with Jesus-Miriam [bio-energy healing] oils and his great compassion that radiates from his aura, his hands and his loving eyes. When it seemed life would not improve, when I was fast losing hope, when I was not really living but existing as a man abandoned, isolated and near the borderlands of out and out psychosis--Sean's healing and daily affirmations and prayer prescription has helped me to restore my Spirit and give me back my spark which had dimmed through many life traumas and negative experiences. Sean has given me the power to reclaim hope and trust that all will be well if I embrace Jesus and the Brotherhood of the elect...

He also actively proves through his inter-faith work with the Tau Community of St. Francis, and his visionary--though frankly sensible and realistic plans for simplicity and ecological

sustainability at a community and local level [and the use of the fabled Essene Angel Bagua], that beautiful days full of creativity and promise are available to us all. He is truly a living embodiment of the True Religion that is the Imagination, tempered with patience and love.

He has given me hope that there are good human beings out there. And while no one is perfect, there are those who devote their lives to serving others in need and selflessly asking nothing back. I'm sincerely grateful for his love, patience and compassion in the matter concerning Harry Matthews. What I have learned from Sean has helped me to rehabilitate and I see it as a turning point in my life. I sincerely do, as you so prophetically knew when we last met in person. **(James Lee Harris: Southampton, UK).**

Hello Brother Sean, Thank you for your touching note which arrived this morning, as I read your message I felt such love pouring out of the words you wrote that it brought tears to my eyes, your card is beautiful and the fact that it is handmade makes it even more special to me. I have felt a change in myself since my visit to Cumbria, I see things in a different light and thank Jesus daily for bringing me to you, I have always doubted my own spiritual awakening and constantly listened to my mind and not my heart. I don't know what happened when you gave me that healing but something inside me changed, I now want to FEEL my way back to God and Spirit and work with my heart and not my mind. I now feel able to believe in myself and love the spiritual being I really am, all doubt in my ability to serve Jesus is falling away and I know the guidance I ask for is being given, it has always been there but I was not aware of it. Your kind words have helped me yet again to learn to trust in my own intuition, it comes from the heart and the heart knows the truth. I will keep in touch Sean and want you to know just how much your prayers and kindness are helping me on my journey. In love and light. **Julie (Wrexham) 5/3/08.**

Hi Brother Sean, I can't thank you enough Sean for what you did for us all, I do feel more at peace and things that upset me don't really bother me that much now. Your wise words made me think long and hard... and I'm still thinking!! I really can't put into words how I feel... but thank God there is a walking Angel on this earth under the guise of a mad Irish man who doesn't take prisoners! Thanks for your kindness and Generosity of spirit and for the knowledge and wisdom you were so happy to share with us. God Bless **Pamela B 6th March'08**

Dearest Brother Sean – ye of the soothing voice. Just to say that I have managed to retrieve the recording you sent me and great wonders of holy wonders made it into a CD! I was at the point where I was totally surrounded by angels – what a vision and what a feeling of heat – when suddenly you stopped in mid flow. Batteries had run out – so I took that as a sign to “phone a friend” and meet for coffee and get replenished. It's been a tough week – but the sun shines and I am back focused on what really matters. Thank you again for the CD – just being asked to say – what am I thinking, how am I feeling, what is my body up to – was so spot on for me and I not only loved your style of presentation but the keyboard in the background – whew, where did that come from. Blew my tootsies off. So non intrusive yet you know it is there and well, for me, just right. With love and gratitude. Rev. Andrew (Spain) 29/2/08.

What a glorious experience. Thank you, Thank you. The First time I listened to your Angelic Therapy download, I was touched within my soul. I cried and could see and feel everything. What an amazing experience. I cherish and listen to both of them frequently. You are an Earth Angel sent down to us by God. My husband found you, brought you to me, now I have been enriched and nourished and have participated in something that I always dreamed I would be able to be part of. Thank you again, God Bless you Sean, you make a difference in many people's lives. **Pamela Lucy Barry. New Brunswick Canada.**

Positive Feedback to Brother Sean's Retreats

Dear Sean, following my 7 days with you and the group at the Monastery, I am still feeling the peace within me. From start to finish, the place was my gift from "God." Magnificent, spectacular and beyond my wildest dreams. All the lovely people there, another way of life, the new friends and in my heart, knew I was meant to be there. As a woman with an open and embracing accepting heart, God put key people in my life to keep advancing me to experience being back in my spiritual home. His gift was mine for free; the greatest gift any human could have and a life that has no end. God wants us to live for the moment focusing on how we can share His love with others. To be true to the Light that is deep within me, holding on to my faith, hope and joy for life. I have an inner spark that kindles a light in everyone my life touches. To keep on flying with my highest dreams and believe they will carry me where I want to go. The highlight of my retreat truly moved me when we all gathered by the Red Sea on our last day, to bless each other with the waters from the Red Sea. The words, 'Blessed to be Chosen,' that exchange of energy together was truly a Gift from God to the Divine in each of us. **Sheila Mac (83 years young-Edinburgh).**

Neville and I, have been on a Spiritual Retreat to the Monastery. We also enjoyed the spiritual journey led by Brother Sean, 'the barefoot Angel man' who brought his own unique recipe to the week. An enclosed Franciscan monk, Brother Sean brought his gifts of humility and spiritual discipline to the group, a lesson in itself. It presents us with the challenge of balancing those characteristics with self-empowerment and stepping into our power. As a result I feel expanded spiritually in every way and feel blessed to have had the time to reflect, contemplate and meditate thus strengthening my connection to the Illumined Beings of Light, Sananda Jesus and Mary Magdalene in particular. This was Spiritual Abundance by the barrow load. Sean is a Dubliner with a good sense of humour. **Noleen, Galway, Ireland).**

A most enlightening and uplifting course. I certainly am a much 'richer' person. I now feel ready to "shine my light" and 'boogie'. Jodie (Vancouver, Canada)

I can say I love myself, the universe and my beautiful life thanks to myself and lots of help from others in clouding the Angelic realm. I have probably been working with the

CHRIST ENERGY and the ANGELIC realm for sometime but never realized it and that has just made me feel very emotional to admit to it. Timothy (Johannesburg, South Africa)

It was truly a profound experience personally – I've felt incredibly uplifted feeling the presence of the love of God all around and especially in me. It's had such a deep impact and reaffirmation of what my life's all about. I feel very blessed and feel deeply embedded in the heart of God's love and that I'm truly His child so loved by him. Sam (Sidney, Australia)

Even as I write these words to you, tears of overwhelming joy, love and peace are flowing down my cheeks. Wow! I've been feeling thoroughly exhausted but truly relishing in this wonderful experience. I'm just savoring the moments and will each day revisit the experience in my quiet moment of meditation. With love & light **Doreen (Manchester)**

Prior to doing this course, I worked as a Medium/ Spiritualist but never fully grasped the Divine energies of Christ. I lived in fear but now through this course I have left my mediumship and now channel the Christ/Magdalene's love instead. **Jane (Lymm, Cheshire)**

Thanks for helping me to receive a nightly burst of energy and hopefully I can send some back to you and also to others, Namaste **Dean (Palmer's Green, London)**

This course asked me to look into the Christ face, I saw myself...I see the Lord in healers, like yourself and in our beautiful nature– we just have to be still and look. The message I received whilst having my feet blessed were 'follow me' ...I also saw 4 beautiful lights like diamonds. .
