### Course Experience:

This same energy formed the core values and beliefs of the same 'soul therapy' that Magdalene used on the feet of Jesus before His death. 2000 years ago, Saint John and Magdalene re-established the Egyptian School of Essenic Holistic Medicine at Mount Carmel, safeguarding the original teachings of Jesus that were eventually handed down via the nursing monks of that era to the present day. Embracing the theory and Practice of Therapeutic Channelling, underpinned by the ancient teachings of the Essenes and the Angel Bagua.–This Module aims to reconnect the self with the innocence of inner Divinity and then learning how to channel the sacred healing energies of Christ with the Four Sphere of Angelic beings using the Angel Bagua and Healing Trigram, using sacred symbols, touch, blessed oils and 'channelled words from one's Heart Centre 'Christ Consciousness,' underpinned by the ancient teachings and philosophies of the Nazarene Essenes. The module is aimed at those who are dedicated to finding their inner self of love and are ready to undergo emotional change as they uncover their hidden potential of living through the Heart Centre / not the head, and the channelling of Christ's powerful energies to assist others in self-healing. This module is unique! It challenges YOU to take back your control and personal power. During the module your course work will 'Affirm' you that as a co creator of the Divine, you are 'whole, perfect and complete.' As a therapist, YOU are invited to embrace the teachings of the Essenes; their way of life and connect with your Heavenly Father and Earthly Mother by working in partnership with the Four Spheres of Angels. ### Course Testimonials:

After being awakened to my spirituality in 2000 I have been led to various therapies and down many pathways always to my benefit but never has anything touched me like yours, it has touched parts of my being that I never knew existed, my soul my whole being. It has helped me move deep rooted negativism that has been haunting me for years. It has given me a deeper insight into my spirituality and the Devine. and I can only be grateful for having experienced this all was fantastic. Take care of yourself, Sean as you have got such a lot of important work to do! **Janet (Cheshire).**

This course has recently brought me even more magic and a closer Heavenly connection to my Creator Father, Lord Jesus, all in Heaven and the Angelic Realms. The Christ Healing CD Meditation transported me to a lovely place to be healed when I really needed it. Thank you Lord Jesus. So many wonderful enchanting experiences including Divine Synchronicity or serendipity has been introduced to me that my life is taking on a magical quality that I have never experienced before. **Peter Malarkey (Ohio, USA)**

This course has enabled me to face my inner wounded child and all of her entrapments, so that God and the Lord Jesus Christ and the Angelic realms could heal and release her and in doing so, completely healed my Heart Centre.....words cannot come close to how emotionally I feel today. Joy, Love, Gratitude and Awe and above all,

a deep longing and desire to help others heal as well, but already the words, 'Physician Heal Thyself' springs to mind, so I have to adhere to those words and obey them first. God bless and thank you for this amazing, life changing and enhancing, miraculous, uplifting, healing, spectacular course. **Deirdre, Croyden.**

The Diploma Therapeutic Healing course was so transforming and uplifting! I would like to reiterate the message that " everyone doing this course is a beautiful gift to the others, each one having gone through their own " fire" and coming out the other side a very different person. Thank you again **Janet Lee Lyons (Seattle, USA )**

What an awesome course! It's hard to put into words how I feel but I know that Jesus was speaking to me in my quiet time last night. It was clear as a bell that He is walking with me and all of us – reassuring me that you don't have to be a reiki master for the experience to be just as real. It was like discovering a friend that you have admired from a distance but didn't really have a close relationship with, until now. It was a cathartic as well as a humbling experience for me. **Judy Jones (Cardiff, South Wales).**

Having embarked onto this diploma course not knowing what it would bring or how it would eventually change my perspective on life. To be a good teacher one has to be sympathetic, be able to empathise and able to converse with anyone on any level. The course was an opening of a brand new beginning in my spiritual pathway. Many questions that had been left unanswered all these years have finally been answered. My togetherness with God, mankind and mother earth has become stronger and my faith restored. I always knew that on this mother earth we all have a purpose. **Simon Whalley (Leicester, UK)**

Through this course it has made it more clearly in what mine is. The course showed me the difference between something idealistic and what really is realistic. I finally found again the child within me. To become as one with God and mankind one has to become a child again. For in becoming the child you find the purpose, the reason why we are here on this mother earth. You find your true inner self, the light no longer is a flicker it becomes a radiant flame that shines brightly. Not only touching one's life but others in the process. On each module I thought you could go no further in finding one's self. How wrong I was. I found memories hidden away, the hurt, anguish, confusion, pain and sorrow. Through the course it not only healed us on the outside but also on the inside, but more so, our spirit. My faith became stronger and my purpose in life became even clearer. I have always believed we are here to help each other with unconditional love and no strings attached. It's in the doing that counts and not what one can make from it. The course was so uplifting, so encouraging and so knowledgeable. **Jennifer Sykes-Rhineheart.**

In the spiritual pathway you walk, many people come into your life. Some touch your heart, some your soul – You did everything in love. **Maria Lewis (London, UK)**

### Positive Client Feedback to Brother Sean's ministry

When talking about the early days of the Gorton Monastery I said 'Along the way we have been joined by many like-minded souls who I'm sure have been sent to us by the Angels when the timing was right and their skills were needed the most'. One of those special people was Brother Sean Bradley who was introduced to me when he came to do an Angels Workshop in Gorton several years ago. Sean is a gifted and inspirational teacher who, through his gentle and humorous style creates a unique healing atmosphere for his audience. The Angels brought love, joy and laughter to Gorton that day and I felt privileged to be in their company.'

His connection with the Master Jesus, Mother Mary, the Archangels and Saint Francis, has worked a miracle in keeping me well against the odds. I have long suffered from depression and mental illness, imbalance and self-absorption. Conventional medicines, remedies, talking therapies (CBT/CAT), Jungian psychotherapy and NLP, have not helped me near enough as Brother Sean's humble and definitive Essene approach, working with the Holy Spirit, and allowing Divine Guidance--along with time, since there is never a magic wand to recover--to heal where reason and often a fallible one size fits all NHS approach could not, but merely suppress or contain difficulties until they had straightened, but never resolved, quietened but functioning with all the trash dug deep.

All truly great healers and sages are incredibly humble people, and those with the greatest insight into the mysteries and realities of the world, have inevitably suffered the most. This equips them to change their world and in so doing improve our own, and it is from them that truly great things can be carried forth in those that they help and the ideas that they help to spread, as lives begin to change. I have benefited from his expertise in healing, his work with Jesus-Miriam [bio-energy healing] oils and his great compassion that

radiates from his aura, his hands and his loving eyes. When it seemed life would not improve, when I was fast losing hope, when I was not really living but existing as a man abandoned, isolated and near the borderlands of out and out psychosis-Sean's healing and daily affirmations and prayer prescription has helped me to restore my Spirit and give me back my spark which had dimmed through many life traumas and negative experiences. Sean has given me the power to reclaim hope and trust that all will be well if I embrace Jesus and the Brotherhood of the elect...

He also actively proves through his inter-faith work with the Tau Community of St. Francis, and his visionary--though frankly sensible and realistic plans for simplicity and ecological sustainability at a community and local level [and the use of the fabled Essene Angel Bagua], that beautiful days full of creativity and promise are available to us all. He is truly a living embodiment of the True Religion that is the Imagination, tempered with patience and love.

He has given me hope that there are good human beings out there. And while no one is perfect, there are those who devote their lives to serving others in need and selflessly asking nothing back. I'm sincerely grateful for his love, patience and compassion in the matter concerning Harry Matthews. What I have learned from Sean has helped me to rehabilitate and I see it as a turning point in my life. I sincerely do, as you so prophetically knew when we last met in person. **(James Lee Harris: Southampton, UK).**

Hello Brother Sean, Thank you for your touching note which arrived this morning, as I read your message I felt such love pouring out of the words you wrote that it brought tears to my eyes, your card is beautiful and the fact that it is handmade makes it even more special to me. I have felt a change in myself since my visit to Cumbria, I see things in a different light and thank Jesus daily for bringing me to you, I have always doubted my own spiritual awakening and constantly listened to my mind and not my heart. I don't know what happened when you gave me that healing but something inside me changed, I now want to FEEL my way back to God and Spirit and work with my heart and not my mind. I now feel able to believe in myself and love the spiritual being I really am, all doubt in my ability to serve Jesus is falling away and I know the guidance I ask for is being given, it has always been there but I was not aware of it. Your kind words have helped me yet again to learn to trust in my own intuition, it comes from the heart and the heart knows the truth. I will keep in touch Sean and want you to know just how much your prayers and kindness are helping me on my journey. In love and light. **Julie (Wrexham) 5/3/08.**

Dearest Brother Sean - ye of the soothing voice. Just to say that I have managed to retrieve the recording you sent me and great wonders of holy wonders made it into a CD! I was at the point where I was totally surrounded by angels - what a vision and what a feeling of heat - when suddenly you stopped in mid flow. Batteries had run out - so I took that as a sign to "phone a friend" and meet for coffee and get replenished. It's been a tough week - but the sun shines and I am back focused on what really matters. Thank you again for the CD - just being asked to say - what am I thinking, how am I feeling, what is my body up to - was so spot on for me and I not only loved your style of presentation but the keyboard in the background - whew, where did that come from. Blew my tootsies off. So non intrusive yet you know it is there and well, for me, just right. With love and gratitude. Rev. Andrew (Spain) 29/2/08.

What a glorious experience. Thank you, Thank you. The First time I listened to your Angelic Therapy download, I was touched within my soul. I cried and could see and feel everything. What an amazing experience. I cherish and listen to both of them frequently. You are an Earth Angel sent down to us by God. My husband found you, brought you to me, now I have been enriched and nourished and have participated in something that I always dreamed I would be able to be part of. Thank you again, God Bless you Sean, you make a difference in many people's lives. **Pamela Lucy Barry. New Brunswick Canada.**

## Positive Feedback to Brother Sean's Retreats

Dear Sean, following my 7 days with you and the group at the Monastery, I am still feeling the peace within me. From start to finish, the place was my gift from "God." Magnificent, spectacular and beyond my wildest dreams. All the lovely people there, another way of life, the new friends and in my heart, knew I was meant to be there. As a woman with an open and embracing accepting heart, God put key people in my life to keep advancing me to experience being back in my spiritual home. His

gift was mine for free; the greatest gift any human could have and a life that has no end. God wants us to live for the moment focussing on how we can share His love with others. To be true to the Light that is deep within me, holding on to my faith, hope and joy for life. I have an inner spark that kindles a light in everyone my life touches. To keep on flying with my highest dreams and believe they will carry me where I want to go. The highlight of my retreat truly moved me when we all gathered by the Red Sea on our last day, to bless each other with the waters from the Red Sea. The words, 'Blessed to be Chosen,' that exchange of energy together was truly a Gift from God to the Divine in each of us. **Sheila Mac (83 years young-Edinburgh).**

Neville and I, have been on a Spiritual Retreat to the Monastery. We also enjoyed the spiritual journey led by Brother Sean, 'the barefoot Angel man' who brought his own unique recipe to the week. An enclosed Franciscan monk, Brother Sean brought his gifts of humility and spiritual discipline to the group, a lesson in itself. It presents us with the challenge of balancing those characteristics with self-empowerment and stepping into our power. As a result I feel expanded spiritually in every way and feel blessed to have had the time to reflect, contemplate and meditate thus strengthening my connection to the Illumined Beings of Light, Sananda Jesus and Mary Magdalene in particular. This was Spiritual Abundance by the barrow load. Sean is a Dubliner with a good sense of humour. **Noleen, Galway, Ireland).**
